Updating Your Information

VCU Mail Services will be sending a memo with the physical address information we currently have on file. Please confirm if the information is accurate, and return the original memo to Donnette Haynes at Box 980172.

COVID-19 Impact

Our satellite locations are now open Monday through Friday (except University holidays) from 8 a.m. to 2 p.m. There is floor signage to assist with keeping six feet between customers, as well as plexiglass at each service window.

Mail Services has also resumed mail delivery and pick up services. With some departments still teleworking or working with limited hours on campus, we ask that you contact us to advise what days the employee(s) are in the office so that accountable mail (mail requiring a signature) can be delivered.

Fiscal Year-End / Mail Services Related Chargebacks

The final bill for the 2019-2020 fiscal year was processed on June 16, covering charges up to June 12, 2020. For an overview of mail charges, please visit our website. Please note during this time, many grant codes expire. To make the billing process as seamless as possible and to avoid delays, please advise departmental users of any changes to account codes.
VCU Mail Services offers daily mail delivery and pick up services. Not on a mail route? You can be within a week! Please contact Donnette Haynes at haynesds@vcu.edu for more information. Reference “Mail Delivery Inquiry” in the subject line of your email.

In addition to mail delivery and pick up services, VCU offers full reprographic and addressing services here on campus. We offer easy billing; just provide your Banner Index or Lawson AU and we will electronically bill you following the completion of your job. It’s seamless to you. Give us a call today to inquire about the many services we offer or please visit our website at: https://bsv.vcu.edu/mailservices/services/available-services/ for a list of services we offer.

As frontline and essential employees during this trying time, we found time to “find a rainbow.” The rainbow hunt originated in Italy with families posting rainbows in their windows during their ongoing COVID-19 shutdown.

Chaunie Brusie (nurse.org) says, “we know we are going through a storm right now, but after the storm comes the rainbow. And now, more than ever, people are trying to remind themselves to keep searching for that rainbow after this storm.”

Starting as a friendly competition between our Mail Services manager and assistant manager, there was one rule: “as long as your picture incorporates a rainbow in some form.” We took our ideas home and then to paper and returned to work with our finished masterpieces. We posted the two pictures and marked them “A” and “B” and asked all employees to vote. With employees joining the competition, the rainbow artwork grew. Our team has enjoyed walking into Mail Services with a daily reminder after the storm comes a rainbow. The picture to the right shows some of the art pieces created by Mail Services employees.
EXAMPLE FORMAT FOR INCOMING AND OUTGOING MAIL BY LINE

Addressing Standards

- 10 to 14-point Sans Serif type fonts with uniform stroke thickness and clear vertical space between letters.
- Type or machine print in dark ink on a light background. Left justify every line.
- Use two-letter state abbreviations. One space between city and state, two spaces between state and zip code. Always use correct zip code + 4.

---

Lines 1, 2 and 4 are optional lines. They may be used if needed.

Lines 3, 5 and 6 are mandatory lines on all addresses to comply with USPS Automation formats.

The nine-digit zip codes apply to the PO Box number, NOT the street address.
