Our promise and commitment is to provide “R.O.C.” customer service (Right the first time, On time, Cost effectively).

Has our Mail Services team provided you with superior customer service? Please assist us in our efforts to serve you better by taking a few moments to complete the online Customer Comment Card located on our homepage at [http://apps.bsv.vcu.edu/MailServices](http://apps.bsv.vcu.edu/MailServices). All feedback will be sent directly to our Contract Administrator. Our company recognizes exceptional customer service providers.

**Meter Mail Cards**

Reminder: please make sure a postage meter card is attached to each bundle of mail. VCU Mail Services is experiencing an increase in mail that does not have an accompanying meter mail card.

Mail received with no meter card attached will be returned to the department. Please help reduce human error and manual entry by discarding old meter mail cards and recreating a newer, equipment-friendly and legible barcode. Meter cards can be found and created here: [http://apps.bsv.vcu.edu/MailServices/MeterMail/default.asp](http://apps.bsv.vcu.edu/MailServices/MeterMail/default.asp)

**Did Someone Say $avings?**

Did you know that most university and medical center mail goes out at a discounted rate?

Save your department even more money by typing the addresses or applying a typed label rather than handwriting the addresses.

**Typed Letters:**

<tr>
<th>Weight not over oz.</th>
<th>University/Medical Center cost</th>
<th>USPS cost</th>
<th>$avings</th>

VCU Mail Services offers daily mail delivery and pick up services. Not on a mail route? You can be within a week! Please contact Donnette Haynes at haynesds@vcu.edu for more information. Reference “Mail Delivery Inquiry” in the subject line of your email.

In addition to mail delivery and pick up services, VCU offers full reprographic and addressing services here on campus. We offer easy billing; just provide your Banner Index or Lawson AU and we will electronically bill you following the completion of your job. It’s seamless to you. Give us a call today to inquire about the many services we offer or please visit our website at: https://bsv.vcu.edu/mailservices/services/available-services/ for a list of services we offer.

Examples of Savings:
Did you know you can save your department money on postage by sending mail as a letter versus sending it as a flat?

Let's say you have 10 sheets of paper you want to mail. You don't want to send it tri-folded in a #10 envelope because the envelope becomes “thick,” subjecting you to a surcharge.

Stuffing 10 sheets in a #10 envelope (tri-folded) could subject you to paying a surcharge or possibly bump you up to another class of mail (i.e., a flat rate or even a parcel cost because the envelope is too thick to qualify as a letter).

By simply using a 6” x 9” envelope, you will get your message to the recipient and at a lower cost than using a 9”x 12” flat envelope.

Mailing 10 sheets left flat (no fold) in a 9”x 12” envelope (3 ounces) with a typed address = $1.095

Mailing those same 10 sheets folded in half (1 single fold) in a 6”x 9” envelope (3 ounces) with a typed address = $.431

Savings of $.664 per 3 ounce envelope
EXAMPLE FORMAT FOR INCOMING AND OUTGOING MAIL BY LINE

Addressing Standards
- 10 to 14-point Sans Serif type fonts with uniform stroke thickness and clear vertical space between letters.
- Type or machine print in dark ink on a light background. Left justify every line.
- Use two-letter state abbreviations. One space between city and state, two spaces between state and zip code. Always use correct zip code + 4.

Lines 1, 2 and 4 are optional lines. They may be used if needed.

Lines 3, 5 and 6 are mandatory lines on all addresses to comply with USPS Automation formats.

The nine-digit zip codes apply to the PO Box number, NOT the street address.

... Line 1: Attention Line
... Line 2: Department Name Line
... Line 3: FIRM NAME LINE
... Line 4: Street Address Line
... Line 5: DELIVERY ADDRESS (BOX #)
... Line 6: CITY, STATE and ZIP CODE + 4
